

Useful.

Thriving in a cold and infinite universe where everything is done better, cheaper, and faster by robots

The Size of Your Spirit

Most jobs or occupations are not big enough for your spirit. They ask very little of you, aside from exercising the tolerance of spending your time doing something which does not fulfill you.
How much of your spirit is occupied with your work?

Draw the shape of your work. How does it fit within your spirit?
What else is in there? What absorbs you wholly?
