Thriving in a cold and infinite universe where everything is done better, cheaper, and faster by robots

Best First Date

The best part about a first date is the starry-eyed potential, our ability to simultaneously live entirely in the moment and also feel promise for our lives going forward. So, why don't we give ourselves a great date?

Dazzle yourself with romance, prove you're really interested. You don't even have to spend money. Seriously, show yourself a spectacular time.

play and laugh

stroll through the city and
admire the sights and sounds

be open and doting

gaze up at the stars

take a walk
through a park or a
beautiful garden

put on your favorite
outfit and do your hair
say "You look beautiful!"
and mean it

make a candlelit dinner

take a bike ride through the countryside

pack a picnic and
find a fantastic view

try to impress yourself

go somewhere you've never been
that you've been meaning to try
